

New Schmartboard Affiliate Program

Schmartboard has partnered with [ShareaSale](#) to offer an affiliate marketing plan. Sign up there as an affiliate and add a Schmartboard banner to your website or blog. If someone clicks through and orders, you get a **20%** commission. In fact, if you are Schmart, you'll use your own Banner Link to get a **20%** rebate on your own Schmartboard orders. Let us know that you have added a banner and we will link your page on our resource page to get you more hits and a higher rating.

Build Your Next Circuit For Free...In Fact Get Paid!

Schmartboard would like to nudge you to publish your next Schmartboard Project online to share with the world. What do we mean by nudge? How about free Schmartboards to build the project with and **\$100** when completed?

Fill out this form be as detailed as you can. If we give you the go ahead we will need you to supply a schematic and Bill of Materials (with Schmartboards listed). We will send you the Schmartboards to build your project. When finished with the project, we will need you to supply a write up with details, and instructions, photos, schematic, Bill of Materials, video and code (if applicable). We will then send you **\$100** via Paypal. Once you have successfully completed one project, you will almost automatically be approved for your next.

March Special - Buy two of our popular .5mm QFP boards, get one FREE!

Buy two of our popular **202-0011-01** boards and get one free...buy 6 and get 3 free, etc., etc. The board supports up to 100 pins QFP, TQFP, PQFP package IC with 0.5mm pitch, 20 pieces of 0603 package, and some thru hole passive components. 6 ground holes are connected a copper plane on the bottom side. To get the free boards, just type **"SCHMARTBOARD ROCKS"** in the special instruction at checkout.

Coming Soon...

"Schmartboard Jumper Hacker Kits"...what is that? You'll have to wait to find out...but not long.

A personal note to our valued customers

As a small but innovative company, we rely on our happy customers to tell their friends and colleagues about Schmartboard. The best place to direct them is to receive a **free demo board and chip.**

Additionally, we invite you to subscribe to any of our social media sites. If you choose to leave a kind word in the comments section, we would most appreciate it!

Lastly, Schmartboard started originally as an engineering services provider. We still offer PCB Design, fab, assembly, and other services. **Please consider getting a quote** from us for your next project. We are good at what we do and priced aggressively.
