

## We Now Have Daily Specials

Starting today, SchmartBoard will have a different special every business day. The specials will range from 20-67% off of retail. Tag the [specials page](#) and check it out everyday for a great bargain or better yet, connect to us on [Facebook](#), [Twitter](#) or our the SchmartBoard Forum for a daily update on what the special is. Here are what is on sale for the next 3 days:

Today is the [202-0004-01](#), Our Most Popular SOIC Board!

Thursday is the [912-0008-01](#), a 10 pack of .4mm SOIC boards

Friday is the [990-0001-01](#) an electronics learning kit

## Everyone Wins a prize in the MCU Challenge

We wanted to clarify what the prizes are for our MCU Contest. We are giving away 3 Apple iPads and of course everyone wants to win this, but check out the full prize list below.

In addition to this list of prizes, we will be giving away magazine subscriptions to Nuts and Volts and Servo, SchmartBoard t-shirts and other prizes. In other words, if you enter and submit a project, you will most definitely win something and most likely something pretty nice. Sign up today!

### Microchip PIC MCU Segment

## New Products

### Tacki Paks and Tacki Pads

SchmartBoard now has another innovative product. The new Tacki Pads and Packi Paks from SchmartBoard are ESD safe, non-adhesive tacky surfaced boxes and trays that every lab bench should have.

### Parallax Propeller Module With Chip

Due to popular demand, SchmartBoard now offers our Parallax Propeller development board with the Parallax Propeller chip pre-soldered. This is a perfect option for entering the above mentioned MCU Challenge.

## This Month's Winners:

**This Month's SchmartMoney Winners:** Each month three people will be awarded \$10 in SchmartMoney. You have to be signed up to win though. This month's winners are:

## September Brings Football Season.

Football fans: Think of SchmartBoard as your audible when confronted with small pitched surface mount components!
