2nd Schmartie Award----Win \$1000+

The Grand prize is \$1000 and creation of a SchmartModule based on the winning circuit design. SchmartBoard will market the SchmartModule worldwide and the winner will also receive a 10 percent commission to be paid quarterly. The winner will receive worldwide notoriety, as his or her name will be silk-screened on the product as the SchmartDeveloper.

Second prize is a DS08502 Digital Oscilloscope from Link Instruments and third prize is a Weller WD1002 Soldering Station from Cooper Tools. Three honorable mentions will receive a Parallax Boe-Bot. All entrants who post a schematic will receive a SchmartBoard t-shirt and free SchmartBoards to build their circuit. **ONLY 2 MORE MONTHS TO ENTER AND POST A CIRCUIT!!!!**

Schmartie Spotlight

Each month we will spotlight one of the Schmartie Award contestants. This month we meet Robert Gatt of Port Fairy, Australia. Robert was a winner of the 2006 Schmarties and has now posted his Picaxe 18 prototype board for consideration in this year's more lucrative contest.

Plant Your Flag Today

SchmartBoard has a new program where you can see circuits designed with SchmartBoard from around the world and put one up in your neck of the woods for users around the world to see! To be included on this map, send a photo of your SchmartCircuit with your name and location with a description of the circuit to info@schmartboard.com.

Education Program

SchmartBoard has quickly become the tool of choice for many universities and students, especially when it is senior project time. To better serve this market, we have just announced a program for students and educational institutions to receive a 20% discount. If you are a student, make your school aware of it to assure you can get the educational rate.

New Product

Our jumper cables are extremely popular even with non-SchmartBoard users. We have added 12" cables to the mix, based on a need from silicon valley based distributor Anchor Electronics. These products are now shipping. We were able to keep the price the same as our 2" jumpers. If in the Bay area, check out Anchor, they have a lot of stock and are really great to work with.

Put your money on SchmartBoard to win!

Use SchmartBoard and your circuit will be a winner.

Send us some ideas of what you'd like to see the Schmart Brothers doing in an upcoming newsletter. If we use your idea, we'll give you credit and a free panel of first generation SchmartBoards. The Schmart Brothers are continually working to improve the SchmartBoard system. info@schmartboard.com
