

SPECIAL - Free Texas Instruments Chips

While Supplies Last - This month, Schmartboard will give away either a LM3S817 (ARM Cortex-M3) or a MS430F169IPM MCU chip for each SchmartBoard, Texas Instruments Development Board sold at SchmartBoard's website. Just type in your choice in the special instructions section of the shopping cart at checkout. Alternatively, if you buy one at our distributors, e-mail the receipt with your address and we'll send you your choice. This offer is good while supplies last. This is a great opportunity for those who have been planning to enter the MCU Challenge. The deadline to enter is November 30th.

We Now Have Daily Specials

SchmartBoard will have a different special every business day. The specials will range from 20-67% off of retail. Bookmark the specials page and check it out everyday for a great bargain or better yet, connect to us on Facebook (see how to win free product by doing so at the bottom of newsletter), Twitter or the SchmartBoard Forum for a daily update on what the special is. Here is what's on sale for the next week:

Today is the 202-0005-01. Our popular .8mm pitch SOIC board.

Tuesday is the 912-0047-01. Have you ever tried to solder a .4mm pitch SMT Connector?

Wednesday is the 910-0007-01. A major bargain if you can hand solder a .5mm pitch.

Thursday is the 920-0008-01. A great opportunity to stock up on female jumpers.

Friday is the 981-0030-01. Precision instrument set for technicians, hobbyists and schools at a low price. Wow!

Everyone Wins a prize in the MCU Challenge
