Professor Schmart Coloring Book

As a holiday present to our users...and the children of our users, we have created a Professor Schmart coloring book that is downloadable in PDF format off of our website. Don't blame us if your boss catches you coloring on company time though!

New Schmartboard Program for Clubs

The new SchmartClub program gives a number of benefits to science, electronics, and robotics clubs. Among the benefits are free samples, special club-only rebates on products, freebies and discounts from other electronics related companies, and potential in-person presentations by Schmartboard personnel.
