### South Asian and Latina Domestic Violence Outreach Comes to Fremont via SAVE

SAVE's (Safe Alternatives to Violent Environments) collaborative efforts with peer organizations MUA – Mujeres Unidas y Activas (Oakland and San Francisco) – and Maitri (San Jose) began in April.

Made possible by a \$275,000 Blue Shield California Foundation grant, this two-year effort will bring culturally-specific free programs and services to

two underserved populations in Southern Alameda County – South Asian and Latina domestic violence victims. All services will be held at The Empowerment Center at SAVE at 1900 Mowry Avenue, Suite 201, in Fremont.

SAVE, Maitri, and MUA are excited for the opportunity to collaboratively address the needs of underserved populations in our community and are grateful for the generosity of the Blue Shield California Foundation.
