Cinco de Mayo Special!

SchmartBoard is mucho gusto for prototyping. In celebration of Cinco de Mayo, we are giving a \$5(cinco) Starbucks coffee card with any \$25 purchase. While you are creating the next billion-dollar invention with your SchmartBoards, sip on a Startbucks venti double latte with whip cream and think of that vacation to Acapulco that you plan to take after you make your millions. While you are basking in the sun with your Margarita, remember the team at SchmartBoard as we work to continually make the job of the electronic engineer easier. SchmartBoard, your prototyping amigo! Just send us a copy of your May 2005 dated receipt via fax with your name, address, phone, and e-mail to: 510-659-1644.

SchmartBoard Gives Money to AmeriCares

SchmartBoard announced at the beginning of the year that we were giving 3% of our online sales from Q1 of this year to the tsunami victims through AmeriCares. The results were so good that we decided to double the percentage given to 6%. We have sent in the check and would like to thank all of our customers for helping SchmartBoard be a part of the solution.
